CORAM : D.K. Deshmukh & R.C. Chavan, JJ.
DATE : 20 th September, 2007

It is obvious from the letter dated 30th July, 2007 from the office of His Excellency, the Governor of Maharashtra, filed with the affidavit of respondent No.4 dated 18th September, 2007, that an enquiry into the matter has already been ordered.

In our opinion, it will be in the interest of justice to permit the petitioners also to participate in the enquiry by submitting any evidence they may have, which, according to them, is relevant.

The learned AGP for respondent No.4 states that the enquiry has already been started and, therefore, if the petitioners want to supply any information in the process of that enquiry, they should take immediate steps, because the enquiry is likely to be completed in near future.

In view of this, no further orders are necessary.

The petition is disposed of.
